## Basket Ball Tourney Drew Large Crowds

### GAYLORD WINS CLASS C TITLE; ROSCOMMON, CLASS D

The annual high school basketball tournament has faded into history with Gaylord carrying off the honors for Class "C" schools and Roscommon victors in Class "D". The games were played at Grayling school gym Thursday, Friday and Saturday nights and there were large crowds in attendance on each night. Supt. Gerald L. Poor was the manager. Frank L. Bond was timekeeper. Roy O. Milnes, scorer and Cecil Roberts announcer. Joseph Stripe was in charge of the box office. The referees were David E. Bates of Harbor Springs and D. W. Gabrysak of Mt. Pleasant, and they handled the games in a very admirable manner.

Taking the floor for the first game Thursday night were St. Mary's of Gaylord against Johannesburg; Onaway and Mancelona were the second attraction with Grayling and Gaylord closing the evening's card. In the evening's play St. Mary's, Mancelona and Gaylord were the victors.

It is estimated there were 500 people packed the gym for the opening games Thursday night, with the bleachers and balconies filled to capacity.

Adding a lot of color and pep to the games were the various cheer leaders, who tried to keep up the spirits of the losing teams, and cheered loud and long for the winners.

Following is a resume of each one of the games played:

### St. Mary's (Gaylord) 36; Johannesburg 15

Coach John Criske's St. Mary's of Gaylord soundly trounced Johannesburg in a fast-moving game Thursday night.

Floyd Fisher was high scorer for the evening for St. Mary's and scored 17 points. His brother and team mate, Mitchell Fisher, added to the 36 points the Catholic school piled up. Floyd played one of the best games seen on the floor that night.

**At the half** St. Mary's lead with a score of 20 against 12 for the Johannesburg five. On Johannesburg's team Robert Burns played a good game, scoring 7 points, but he and his teammates were not able to break down the opposition.

### Onaway 19; Mancelona 24

The Polar Bears of Mancelona eliminated Onaway from the basketball tournament Thursday night by a score of 24 to 19. Bud Griffore, James and Howard Gaylord of Mancelona captured the honors for their team. Jack Sevener was the high scorer for Onaway with six points. Coach Tuckett's boys got off to a good start but could not keep up with the pace set by the quintet from Mancelona.

The game was good and fast right up to the final bell. The score was close until the last quarter when the Antrim county boys pulled away.

### Gaylord 27; Grayling 15

In the last game Thursday night Grayling High lost to Gaylord by the score of 27 to 15. Gaylord, winning this game, gave them an even or better chance for the title of Class "C".

Ross Thompson was high score man for Grayling with six points to his credit. Arnold Matthews of Gaylord was high scorer for that team.

For some of the seniors this will be the last game of their high school career. They are John Deckrow, Bill Kraus, Bob Heribson, and Lawrence Wylie. They will graduate this June.

### Roscommon 19; St. Mary's 14

The Bucks of Roscommon beat St. Mary's of Gaylord Friday night, 19-14, in a very close game. Not till the last quarter did Roscommon draw away.

With Lawton Knapp high scorer for Roscommon, and his teammate Bill Emery, the Gaylord team could not quite get through to win the game. Floyd Fisher was high scorer in Friday's game for St. Mary's. Roscommon was leading at the half

by only 4 points. Mitchell Fisher of St. Mary's was the only player in the seven games played here who was called out of the game for fouls.

The crowd that attended the games Friday were the noisiest but smallest crowd of the tournament. About 250 people were on hand.

**Frederic 24; Vanderbilt 22**

Coach Robert Lee's Frederic boys eked out a victory of 24-22 over the Vanderbilt quintet Friday night.

With the score 10-13 in favor of Vanderbilt at the half, Frederic pulled away to win the game and to be in the playoff against Roscommon Saturday night.

Bob Horsell and Carl Glazier of Vanderbilt were the outstanding players of the evening, with Cram of Frederic sharing these honors. High scorer for the evening was Glazier of Vanderbilt, with eight points.

Frederic is coached by Robert Lee. Coach Provost leads the Vanderbilt boys.

### Roscommon 44; Frederic 17

Roscommon defeated Frederic Saturday with a score of 44-17. By beating Frederic, Roscommon received and earned the Class "D" tournament trophy.

Lawton Knapp, Jim Cousineau and Bob Hughes played a good game for Roscommon, with Kelllogg and Cram outstanding for Frederic. High scorer for the evening was Knapp, with 11 points.

At the half the score was 21-5 for Roscommon. The Frederic boys simply could not get up enough steam to crush the Roscommon boys in the last two periods of the game.

### Gaylord 30; Mancelona 25

After the best, fastest and noisiest of the seven games that were played Thursday, Friday, Saturday, the Blue Devils of Gaylord won the Class "C" championship by defeating the Polar Bears of Mancelona by a score of 30-25.

Arnold Matthews and Earl Fester of Gaylord and Howard Morgan Paige patrolled the business places, trying the doors, discovered the broken door, and called Frank Bennett for assistance. Together they searched the premises and found nothing except that on a rear door which locks with a catch and also a bolt, that the bolt had been drawn.

Soon after, as night marshal, Morgan Paige patrolled the business places, trying the doors, discovered the broken door, and called Frank Bennett for assistance. Together they searched the premises and found nothing except that on a rear door which locks with a catch and also a bolt, that the bolt had been drawn.

Apparently, whoever may have been in the building at the time the officers entered, escaped thru the back door. Some of the employees of the place were called back and the place examined but nothing was found to be missing.

### Gas Station Pillaged

On the same night thieves broke into Fritz Heath's gas station near the AuSable bridge. Here they got away with about \$1.50 in pennies and \$2.00 in nickels and a revolver. This is the third or fourth time these two places had been burglarized.

Harry Walz is in jail, charged by his wife with assault and battery. The latter said to us that Mr. Walz beat her up frequently and that she had reached a point where she couldn't endure it any longer. On one occasion she said he threatened her with a knife. On another occasion, she said, he heated an iron poker in the fire and threatened to brand a cross on each cheek.

Mr. Walz is small, with dark hair and very attractive. Mr. Walz had been in jail for several days awaiting trial after having entered a plea of "not guilty" to a charge of assault and battery. He was bailed before Justice Peterse's court again Tuesday afternoon and reaffirmed his former plea. Asked if ready for trial he said that he was not because his attorney could not get here for the trial. He said that John Donohue of Roscommon was his attorney and demanded that the trial be put off until such time as he could appear.

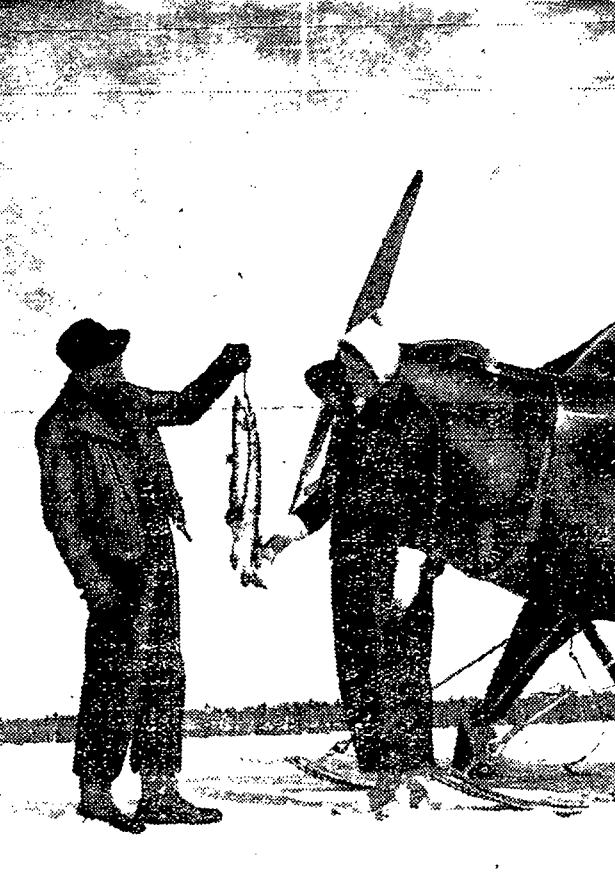

Justice Petersen adjourned the trial until next week Tuesday at 2:00 p.m. In the meantime Mr. Walz is in jail in default of furnishing \$300 bonds, with two sureties.

### CHARGED WITH WIFE BEATING, AWAITING TRIAL IN JAIL

On the same night thieves broke into Fritz Heath's gas station near the AuSable bridge. Here they got away with about \$1.50 in pennies and \$2.00 in nickels and a revolver. This is the third or fourth time these two places had been burglarized.

Having closed our account for the Finnish relief fund, all cash on hand in that fund has been turned over to the Herbert Hoover commission in Detroit, as per the following letter:

## Ice Fishing, 1940 Style

Mr. and Mrs. J. Heath of Grayling drop onto ice of Lake Margrethe in their ski-equipped cabin plane and soon have two pike. Many of Michigan's less accessible northern lakes will be visited by increasing numbers of fishermen in future as airplane comes into more general use. Lower Michigan pike lakes are closed to all fishing March 1 to May 15, those in Upper Peninsula, March 15 to May 15. (Photo by Department of Conservation).

### THIEVES BREAK INTO SPIKE'S AND FRITZ HEATH'S SCHOOL OF INSTRUCTION

At a special meeting of Grayling Chapter No. 83, O. E. S., held after closing time, which is 2:00 a.m. they had forced one of the front doors open.

Soon after, as night marshal, Morgan Paige patrolled the business places, trying the doors, discovered the broken door, and called Frank Bennett for assistance.

Together they searched the premises and found nothing except that on a rear door which locks with a catch and also a bolt, that the bolt had been drawn.

Apparently, whoever may have been in the building at the time the officers entered, escaped thru the back door. Some of the employees of the place were called back and the place examined but nothing was found to be missing.

### The Weather

With the big pools of water on the streets and the snow sliding off the roofs of houses, it looks as though the spring is really on its way. The sun has shown more this week and melted the ice off main street. School children can be seen in groups on bare places around the school shooting marbles. That's a sure sign of spring.

Friday morning the Grayling Fish Hatchery thermometer registered 18 above zero at 6 o'clock but only gained 2 points by 6 p.m. Saturday morning was the lowest, the mercury dropping to zero during the night, and rising to 32 above at 6 p.m. Sunday, Monday, Tuesday and Wednesday, the thermometer registered in the 20's, dropping to 14 above this morning (Thursday).

## Census Taking Starts In April

### ACCURATE ANSWERS TO FIFTY-SEVEN QUESTIONS REQUIRED

Starting April 1, Uncle Sam will have an army of men and a man in the United States knocking at doors and asking for answers to 57 questions about every household. Most of the questions to be asked are similar to those of 1930, when the last census was taken. Once every ten years, by constitutional provision, a national census is taken. The answers will be sent by registered mail to Washington where only the employees of the Census Bureau will see them.

Gathering information in a decennial census is such a public service that probably almost no citizen ever thinks otherwise than of wishing to be helpful in the undertaking. Yet the director of the census, William L. Austin, has issued a memorandum pointing out that a person may be fined up to \$100 or sentenced to 60 days in jail for refusing to answer a census question or may pay a still higher penalty for giving intentionally incorrect information.

At the same time census employees are strictly required to keep such information confidential. A fine of \$1,000 or two years imprisonment or both might follow the divulging of personal data to an outsider. Under these conditions it is not worth the price to try to keep a secret from the census taker.

Questions on population cover a wide field, dealing with the location of the house, whether the house is owned or rented; the value, if the house is owned or the rental rate; if it is on a farm or in the city; the name and relationship of each person in the house; the sex, color and race of all persons; the age last birthday and the marital status of all persons in the house.

Information will also be sought on questions of education, place of birth, citizenship and residence.

There will be questions, too, on employment; whether the person at work is assigned to a public emergency work or in private industry. For unemployed persons, the census takers will want to know questions such as the following: "Have you had any previous experience? If so, what class of work? How long employed?"

Other questions will be asked about wages:

"What wages did you get during the working period in 1939? How many weeks, full-time weeks, did you work last year?" All answers to questions are carried to March 30, 1940.

Census takers will ask about income. They will say, for example: "What is your Social Security number?" What deductions, if any, were made for the Federal old-age insurance or railroad retirement in 1939? How much were these deductions?

Were they made from all of your wages, from one-half or more or from less than half of your wages?"

Women will face queries such as: "How old are you? (Answers such as 21 last birthday, when you're 47 or 50 won't do. That's false information). Are you married or single? How many times have you been married? How old were you when you were married for the first, or only time? How many children have you had?"

In the housing census, questions pertaining to the house's structure, appearance and possession will be asked of the owner or lessee. The type of structure, interior, exterior, need of major repairs, year of erection and location are subjects of questions to be asked. The number of rooms, water supply, toilet and bath facilities, lighting equipment and occupancy status of the house or home will also be inquired about by the census takers.

The possessions in the house will also be considered. For example they will want to know how many radios, if any, are in the house; what refrigeration equipment; what heating equipment you have. They will also want to know what the fuel is used in heating. Questions as to the value of the house occupied and unoccupied, furnished and unfurnished, will also be asked.

Other questions will be: "How much mortgage have you on this house? What payments do you make on it? How often do you make those payments? What type of person or institution is holding this mortgage?"

Federal officials are anxious to

assure the public that this confidential information will not leak out so that it can be used by other Government agencies.

That is why they say "When your census report gets to Washington, an individual doesn't mean any more than a snowflake in a blizzard. You're just a statistic."

### TIGER CATCHER IS DELEGATE TO HIGHWAY MEETING

George "Brave" Tibbets, catcher for the Detroit Tigers, has been named chairman of the Grayling Men's delegation to attend the 19th annual winter convention of the Taft Memorial Highway association here Friday and Saturday. Tibbets was named by the Grayling chamber of commerce.

Others who will attend the sessions of the highway convention from Grayling will be Dr. C. R. Keypert, C. J. McNamara, president of the Grayling winter sports association; Harold MacNeven, secretary of the same organization; T. P. Peterson, R. A. Wright and George Olson.

Tibbets is a training civic worker during the winter months at Grayling, which is one of the important Michigan summer resort towns to the Taft highway. One of the large winter sports carnivals in Michigan is held annually at Grayling and the efforts of Tibbets and the additional visitors were attracted to that sport last winter.

Tibbets is the general manager of the Lodge and Inn, which is located in the center of town. On Friday night and Saturday night of this week, Tibbets will also attend a series of the sports which are held in the annual winter festival of the New England Inn, which is held Saturday night.

The Lodge and Inn, which is located in the center of town, is the store will be open to the public.

The feeding of deer at these feeders has caused considerable attention by local and outside people and very seldom any evening or a week-end goes by that cars cannot be seen loaded with people watching the deer feeding. This writer has observed some 72 deer feeding or within easy reach of hay, on Kalkaska road.

## State of Michigan

In The Circuit Court For The County Of Crawford, In Chancery.

In the matter of the petition of Vernon J. Brown, Auditor General of the State of Michigan, for and in behalf of said state, for the sale of certain lands for taxes assessed thereon.

To the Circuit Court for the County of Crawford, in Chancery:

Vernon J. Brown Auditor General of the State of Michigan, respectfully shows unto the Court:

1. That he is the Auditor General of the State of Michigan and makes and files this petition under, by virtue of and pursuant to the provisions of Act No. 206 of the Public Acts of 1893, as amended, and Act No. 126 of the Public Acts of 1933, as amended;

2. That Schedule A annexed hereto is the tax record required by the act first above mentioned and contains the description of all lands in the aforesaid county upon which taxes, which were assessed for the years mentioned therein, have remained unpaid for more than one year after they were returned as delinquent, the description of all lands in said county heretofore bid off in the name of the State and thus held and upon which taxes which were assessed subsequent to the tax for which such lands were sold to the State have remained unpaid for more than one year after they were returned as delinquent, and the description of all lands in said county which are delinquent for any installment of taxes under the provisions of the act last above mentioned.

3. That extended separately in said schedule against each description of said lands therein contained are (a) the total amount of delinquent taxes upon said description for the non-payment of which the same may lawfully be sold at the next annual tax sale, (b) interest computed thereon as provided by law to the first day of May, next ensuing, (c) a collection fee of four per cent and (d) fifty cents for expenses, all in accordance with the provisions of the act first above mentioned;

4. That all of the aforesaid taxes, interest and charges are valid, delinquent and unpaid, and have remained delinquent and unpaid for sufficient time to authorize and require, as provided by the foregoing acts, the sale of the aforesaid parcels of land against which they were assessed and are extended in said schedule at the next annual tax sale for the non-payment thereof, and that the said taxes, interest, collection fee and expenses so extended in said schedule against each parcel of land therein described constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended in favor of the people of the State of Michigan, the payment of which lien this court may enforce as a preferred or first claim upon such lands-by-the-sale thereof.

Wherefore your petitioner prays:

a. That within the time provided by law this court may determine and decree that the aforesaid taxes, interest, collection fee and charges are valid and constitute a valid lien upon each of the said several parcels of land described in said schedule as therein extended;

b. That within the time provided by law this court make a final decree in favor of the State of Michigan against each parcel of said lands for the payment of the several amounts of taxes, interest, collection fee and expenses, as computed and extended in said schedule against the several parcels of land therein contained;

c. That said decree provide that in de-

fault of the payment so ordered of the said several sums computed and extended against said lands in said schedule, the said several parcels of land, or such interest therein as may be necessary to satisfy the amount decreed against the same, shall severally be sold as the law provides;

d. That your petitioner may have such other and further relief in the premises as to this court may seem just and equitable.

And your petitioner will ever pray, etc.

Dated February 16, 1940.

VERNON J. BROWN,  
Auditor General of the State of Michigan, for and in behalf of said State.

Mrs. Albert Roberts was hostess to the Danish Ladies Aid Society at her home Thursday afternoon.

First showing of New Spring Shoes are now on display at Olsons.

Mrs. Howard Granger is entertaining the Danish Ladies Reading circle at her home this afternoon (Thursday).

Mrs. H. W. Kuhlman was hostess to the Ladies Aid Society for the March meeting at her home Thursday afternoon. Mrs. Celia Granger presided at the tea table.

The Hospital Aid Society will meet with Miss Margrethe Baumann Thursday, March 14, at her home. Mrs. Harry Connine, and Mrs. Emil Giebling will assist Miss Baumann.

New hose for Easter in special gift boxes, 79c to \$1.19, at Olsons. Lawrence Denewett has been home from school for the past two weeks suffering from a throat infection. He is feeling much improved at this time but will have to remain out of school for some time yet.

Friday, March 15, is the date for the St. Patrick's day dance given by the Grayling Chapter O. E. S., at the Masonic Temple. The price is 75c per couple and 25c for spectators; this includes lunch. Everyone plan to attend, you will help the local Chapter and also have an evening of fun.

Mrs. William Hill was hostess to the wives of the CCC officers in this vicinity Thursday evening at her home at Lake Margrethe. Contract bridge was the diversion for the evening. Mrs. F. J. McClain and Mrs. Emerson Fry held the high scores. The hostess served a delicious lunch.

The Ladies National League met at the Grange Hall Wednesday evening for the regular meeting. Guests of the evening were Mrs. Yula Kaiser, National President, of Bay City, and several other ladies, all members of the L. N. L. of that city. After the business meeting, a social hour was spent until lunch was served.

Tuesday morning, Mrs. Herbert Rowland, assisted by Mrs. Emerson Fry, and Mrs. Nels Olson entertained 12 ladies at a "kidnap" breakfast. Each lady came as she was dressed when they called for her, making the party a lot of fun. Each contributed a small amount for their breakfast, the proceeds going into the Milk Fund.

Little Jimmy LaGrow celebrated his second birthday anniversary Tuesday and had as his guests Mrs. Marie Jenson, Mrs. Robert Serensen and his little cousin, Nancy Sorenson. His mother, Mrs. Wm. LaGrow, served ice cream and cake, and a pretty birthday cake, trimmed in blue with two pink lighted candles graced the table.

Carl Peterson, son of Mr. and Mrs. Carl Peterson, has the honor of being one of the ten best students in the senior class at Hillsdale College. Carl, majoring in chemistry, has 2.527 for a point average. His photograph together with those of the other nine, and a story of honors they had earned, appeared in a recent issue of "The Collegian", the college newspaper. Congratulations, Carl.

Leo Macdonnell in his Detroit Times Sports column says that "In anticipation of snow, Dizzy Trout plans to send to Grayling for 'Suicide Sal,' Birdie Tebbetts' famous toboggan at Grayling, Mich." Too we see in the "Tiger Interludes" in the Times that "Harold (Spike) MacNeven, Grayling's leading citizen is visiting in Lakeland, Fla." Bet Spike'll be buying a new hat after he sees that edition.

The Women of the Moose and their families and friends enjoyed a social evening together at the Moose Temple Monday evening. Pinochle and bunco were the order of entertainment with honor scores going to Mrs. E. S. Chaiker and Mrs. Frank Roth for bunco, and Mrs. Floyd Lovelley and Mrs. Lawrence Hunter for pinochle. Mrs. Sherman Neal received the door prize. A delicious lunch was served later in the evening. Mrs. Middle LaMotte and her committee were in charge of the entertainment. There will be another such meeting next Monday evening, March 11th.

The Mason-Legionnaire pinochle tournament is going along good. Tuesday evening the Masons picked up 2150 points, from four out of five tables in play. This reduces the Legion lead from 5000 points last week to 3700 this week. With just two more weeks to play, and with the Mason's catching up, it's hard to tell who will win. Winners of this tournament will play the winners of the Moose-Oddfellow tournament. Let's see more Masons and Legionnaires at the next meeting, next Tuesday night. The Oddfellows are about 5000 points ahead of the Moose following the Monday night's games.

Willard Cornell received the sad word Monday noon of the sudden death of his mother Mrs. Willard Cornell Sr., at her home in Harbor Springs. He had received word earlier that morning that she had become suddenly ill and was getting ready to leave for her bedside when the second message came. Mr. and Mrs. Cornell and little daughter Barbara Jean left that afternoon to be in attendance at the funeral. Surviving the deceased are her husband, three sons and two daughters, Willard, who is physical director in Grayling schools, Douglas and Robert at home, Mrs. Edgar Flory located in Indiana and Miss Ruth, a teacher in the Traverse City public schools. Mr. Cornell has the sympathy of his pupils and countless Grayling friends in his bereavement.

This high-contrast, black-and-white collage depicts a complex scene of industrial or scientific documentation. In the center, a large sign reads "UTAH STATE LINE" with an arrow pointing towards the right. To the right of this sign, another sign contains the word "DETOL". Below these signs, the words "CHARGE" and "FIRE" are partially visible. The background is filled with numerous small, illegible tables and charts, each containing rows of numbers. One such table in the upper right corner has columns labeled "W.E.", "W.E.", "W.E.", and "W.E.". Another table in the lower left corner has columns labeled "W.E.", "W.E.", "W.E.", and "W.E.". The overall texture is grainy and layered, suggesting a photocopy of a photocopy.
